Hello THS Class of 2021! You are invited to an evening of Everything you ever needed or wanted to know about THS! We are excited to have you be a part of the T-Wolf family next year. This 2-hour event will include the following opportunities:

Information on how, when and where to register for classes.

An opportunity to hear first-hand testimonials from current students on how to make the most of your high school experience!

A THS EXPO in the commons to meet with and ask questions of teachers, counselors, administrators, club advisors, and coaches to learn more about their programs, auditions and how to get involved!
