Timpanogos High School offers opportunities to all students regardless of race, color, national origin, sex, or disability.

Dr. Jensen, Ms. Lindhout, Mr. DeWitt, Mr. Campbell

Welcome from the 2018-2019 Administrative Team

We care deeply about your success individually and collectively. We *expect* you to succeed. Your time here is short, so get in and get involved. Fully engage in your academic classes. Join something extracurricular—leadership, athletics, clubs, or service organizations. Enjoy the social life in high school but be fully engaged in becoming “future ready,” because your future is much closer than you realize.

Our commitment to you is that you will be prepared to go on to college, the military, a certification program, or the workplace. We expect *every* student at THS to plan for some kind of training/education after high school, and we are committed to preparing you for those opportunities.

While the math, science, and language arts skills you learn here are important, there is *much more* that you will gain at THS. Learning how to cultivate and navigate relationships is important. You must know how to collaborate, communicate, and think deeply—no matter what you do in your future. Understanding how to manage life’s pressures and stress is a must. Being a good citizen in every sense of the word matters. The team of teachers and staff at THS is as good as there is anywhere in the world, and they are prepared to help you develop skills, and dispositions, through the content knowledge, that will prepare you for life now and for life after high school.

So, jump in and be engaged. Remember that “we are a community of one, striving for excellence.” Be excellent in whatever you decide to do. Don’t forget that “We learn not for school, but for life.” Ask yourself “where will I be in a year, or 2 years, or 3 years?” What will you need to do now to be prepared for those aspirations? It truly is a great day to be a T-wolf!! Let’s get to work.

Sincerely,

Dr. Jensen and Timpanogos High School Administrative Team

What It Means To Be A T-Wolf!

As communicated by former Timpanogos High School student body presidents whose pictures now hang in the 100 hallway near the main office, expectations are high! We expect you to strive for EXCELLENCE in all aspects of your life! Let us be clear with regard to **“What It Means To Be A T-Wolf!”**

1.) Strive for EXCELLENCE

I give my **best** by striving for EXCELLENCE in all aspects of my life.

2.) Create a Personal Vision

I develop a personal vision. I pursue post-secondary education or specialized training. I start now! I understand that it is my personal vision of what “Can Be” that drives my daily attitude, decisions, and behavior.

3.) Develop Good Habits -- Learn How to Learn

I learn how to learn. I concern myself with concept and skill acquisition and mastery. I develop good habits that will help me learn at a high level (i.e. – organizational skills (planner/binder), time management, homework completion, class time use, etc.). **I am a lead learner in my own education.**

4.) Problem-Solve

I am a problem-solver. When I encounter a difficult or challenging situation, I maneuver around, over, through, or under, in an effort to solve the problem. **I find solutions and follow the 95/5 rule. I spend 5% of my time acknowledging the issue and 95% of my time problem solving and finding solutions.**

5.) Explore Resources

I understand that learning is hard work. If I don’t understand or cannot find the answer, I look for alternatives until I find a solution. I am resourceful; I explore all options. I never give up! **I see the cup half full. I focus on what I CAN control.**

6.) Do "Hard Things"

I challenge myself to do “hard things.” I am confident that I can find it within myself to finish, to achieve, and to succeed at whatever comes my way.

7.) See Endless Possibilities

I see endless possibilities are in store for me if I believe in myself, develop a vision, and then pursue it relentlessly. **I develop and maintain a Growth Mind-Set and know that with effort and determination I can learn anything.**

8.) Communicate Effectively

I am aware that I must learn to effectively communicate with my peers, my teachers, and my parents. I take the initiative to communicate.

9.) Self-Govern

I make good choices. I understand what it means to be a T-Wolf! I “get” that I have been entrusted to do the right thing, **and to be where I am suppose to be when I am supposed to be there, doing what I am supposed to be doing, and doing it exceptionally well!**

10.) Embrace & Respect Differences

I embrace, **accept**, and respect differences. I look for opportunities to get to know and learn from others. I don’t judge or make assumptions. I am sensitive and accept other’s unique individuality. I demonstrate a high level of respect toward my peers, my teachers, and my school. I take pride in the fact that my school represents EXCELLENCE!

We look forward to an outstanding school year. We welcome your input, ideas, resources, and critiques. Timpanogos is your school! We encourage you to get involved and make it better.

We are Timpanogos High School A Community of One Striving for Excellence

Mission:

- To empower all students to become life-long learners and contributors to society.

Motto:

- “We learn, not for school, but for life!”

Vision: ALL students...

1. ... learn how to learn, and learn at high levels
2. ... develop an intrinsic love for learning
3. ... achieve competence in every area of their educational experience and move toward excellence
4. ... earn a high school diploma and plan for post-secondary education or specialized training (college and career readiness – 21st century skills)
5. ... value, respect, and accept others’ unique individuality and know that they too are valued, respected, and accepted for who they are
6. ... feel that every day is, “A Great Day to Be a T-wolf!”

My Personal Vision! In 3-5-7 years.

My Attendance Commitments:

My Commitments!

I understand that my daily attitude, decisions, and behavior must align with my personal vision. Future opportunities depend on it! The following commitments will help me achieve my vision: Here are some examples: 1.) I will focus on learning concepts, not just earning a grade, 2.) I will be on time to my classes, 3.) I will stay organized by using a planner and binder, 4.) I will come to school rested, 5.) I will be prepared for school by completing my homework, 6.) I will give my best effort every day, 7.) I will embrace differences, and 8.) I will look for opportunities to meet others

STUDENT LEADERS

Welcome back to school, T-Wolves!

I am more than excited to share this next upcoming school year with all of you! I love Timpanogos, and I know that we have amazing faculty and students that do as well. As your Student Body President I ensure you that I will give everything I have to make our High School experience the best that it can be. We only have one chance to make this year great, and that all starts with the daily choice to be kind. Happiness is always a choice. I know how hard High School can be, and doesn't it become even a little bit easier when someone is nice? My wish for Timpanogos is for all of us to look outside of ourselves-- to strive to be a friend to everyone. After all, no act of kindness, no matter how small it is, is ever wasted. As your Student Body President, I promise that I will do everything that I can to help create an environment where each individual feels the happiness and acceptance that everyone can find here at Timpanogos. I encourage you to be the best that you can be, and to make an effort to create a great experience for everyone around you. Let's have the most amazing year, and remember: it's always, always a great day to be a T-Wolf!

Timpanogos Code of Conduct

Academic Honesty
Attendance
Dress and Grooming
Electronic Devices
Safe Schools

“For the strength of the Pack is the Wolf, and the strength of the Wolf is the Pack.” Rudyard Kipling

We are indeed a community of one, striving for excellence! As we do so together, each one of us impacts and influences all other members of our community. This code of conduct clarifies expectations and commitments to each other in certain key areas.

*Each individual student’s behavior affects the academic environment, and either helps or hinders our collective focus on learning. Because we are committed to the success of all students, **THIS IS HOW WE ROLL at Timpanogos!***

*** As the STATE LEGISLATURE AND STATE SCHOOL BOARD make changes to Attendance and Discipline Policies and Procedures, Alpine School District and local school policies and procedures will be updated and will be communicated at that time.**

Academic Honesty

THS administration and faculty expect and require each student to maintain academic integrity, including but not limited to, avoiding cheating, plagiarism, and fabrication as defined hereafter.

1. **Cheating** involves the use or the attempt to use unauthorized information, materials, or other aids in academic work. Cheating also includes providing others with said unauthorized aids, or preparing work for another student. Examples of cheating include, but are not limited to
 - ✓ passing examination questions or answers to others
 - ✓ copying another's work
 - ✓ providing materials for copying.
2. **Plagiarism** involves the presentation of another person's or group's ideas or work (e.g. written, artistic, graphic) or portions thereof, not generally recognized as common knowledge, and passing them off as the product of one's own work in any academic exercise or activity.

According to the Merriam-Webster Online Dictionary, to "plagiarize" means:

- ✓ ...to steal and pass off (the ideas or words of another) as one's own.
- ✓ ...to use (another's production) without crediting the source.
- ✓ ...to commit literary theft.
- ✓ ...to present as new and original an idea or product derived from an existing source.

3. **Fabrication** involves the use of invented information, the falsification of research or other findings, or the deliberate misrepresentation of another's work. Examples include but are not limited to :
 - ✓ outright fabrication of quotations, research or data
 - ✓ concealment or distortion of the true nature, origin, data, function, or conclusions of real or fabricated elements
 - ✓ citing information not derived from the source indicated
 - ✓ listing sources in a bibliography not used in the academic exercise
 - ✓ incorrect documentation (either intentional or unintentional) of primary or secondary sources.

Consequences for proven acts of cheating, plagiarism, or fabrication, whether intentional or otherwise, shall be determined on an individual basis by instructors, counselors, and administrators, depending on the frequency and severity of the transgression(s).

Consequences may include, but are not limited to:

- ✓ no credit for the assignment and its associated components
- ✓ having to redo the assignment for no, partial, or full credit as determined by the instructor

UVU's Statement of Rights and Responsibilities (Online Catalog 2005-2006)

THS STUDENT ATTENDANCE for SUCCESS AND SAFETY

Attendance matters. **Student success** is most likely to be achieved with good attendance. We will do all we can to make school engaging. Students increase their chance at both academic and social success by being here every period. When a student misses class, it is impossible to recreate the discussion or activities that happened in class. In the past, learning content to pass a test has been too much the focus in school. To be future-ready, we must build the capacities of creativity, collaboration, critical thinking, and communication by using that content in class to go beyond just information that might be on a test. When a student misses class, they create gaps in these capacities. That is why it states in district policy that “students should be in attendance and participate every possible day of the school year in order to receive maximum benefit from their educational opportunities.” (ASD Policy 5156 1.2.1)

WHAT ARE YOUR CHANCES OF BEING SUCCESSFUL?

Missing a class here or there doesn't seem like much but...

When you miss just...	that equals...	which is...	and over 13 years of schooling that is...	which means that best that you can perform is...	
1 Day every two weeks	20 Days per year	4 Weeks per year	Almost 1 ½ Years	YOU 	Equal to finishing 11 th grade.
				Other Students 	
1 Day each week	40 Days per year	8 Weeks per year	Over 2 ½ Years	YOU 	Equal to finishing 10 th grade.
				Other Students 	
2 Days each week	80 Days per year	16 weeks per year	Over 5 Years	YOU 	Equal to finishing 7 th grade.
				Other Students 	
3 Days each week	120 Days per year	24 Weeks per year	Almost 8 Years	YOU 	Equal to finishing 4 th grade.
				Other Students 	

Attendance also matters for **student safety**. The safest place a student can be is *in class*. If a student misses class for any reason it should be excused by a parent. When a student has an unexcused absence, we will work diligently to notify parents.

Therefore, for both student success and student safety, a student should NEVER miss school without their parent's knowledge and we need parents to excuse their children when they know they are absent. We hope our whole community (students, parents, and teachers) can embrace the value in knowing where students are throughout the school day by not allowing unexcused absences to go unaddressed.

ABSENCES

To make parents more aware of their student's attendance, we will

1. Improve the accuracy of our attendance.
2. Send an automated caller to parents after **EVERY PERIOD** to notify if your student was absent.
3. Work to notify parents and have student/parent/school official conferences when patterns of unexcused attendance or excessive tardies emerge.
4. Encourage all parents to download the Skyward App on your phones so you can easily see student attendance and grades anytime. (The app is free and instructions for download are on the website)

Utah State Law (Utah Code Section 53A-11-101) requires parents/guardians to ensure regular attendance at school by school-age minors for whom they are responsible. To promote student **SUCCESS** and **SAFETY** we expect students to be present in every class, every day. However, parents/guardians may occasionally need to excuse students due to illness and emergencies. This should be done as soon as possible. (preferably the morning of the absence) Parents can excuse an absence up to two weeks after the day missed, but we encourage you to do it as soon as you know the student will be absent. Excused absences will show with an (E) code in Skyward attendance records. Absences that are unexcused (X) after two weeks will be considered a truancy (Y).

EXCUSING ABSENCES

Parents may excuse absences by sending a note during school hours or calling the attendance office at 801-610-8177, **twenty-four hours a day**. An excused absence clears a student only from unexcused absences; however, it does not remove the absence from the attendance records. Truancies may **NOT** be excused. When excusing an absence(s) with a note or on the phone, parents should include:

- A) Student name
- B) the date of the absence(s)
- C) specific class period(s) missed
- D) and a phone number where the parent can be reached

When writing a note please include the date it is written and parent signature. Fraudulent excusing of absences may result in student suspension and loss of privileges for all involved.

Students are responsible to make up any work, quizzes and/or tests missed during their absence. Students have the responsibility to arrange for makeup work with their teachers.

PRIOR APPROVAL FOR ANTICIPATED ABSENCES

If a student is planning to have an absence, a Prior approval form should be filled out by the student and signed by the parent/guardian before the absences to help facilitate coordinating make-up with the teacher. Forms may be picked up in the Attendance Office. The student accepts the responsibility for getting materials/notes, for completing assignments and making arrangements for any testing prior to or upon return of absence as required by each teacher. Parents and students should realize that any extended absence may adversely affect grades due to missed labs, participation points, etc. If denied, the student will be advised in person and the parent will be notified. Even if an extended absence is pre-approved, it has the potential to hurt grades due to what the student will miss by not being in class.

STUDENT CHECK-IN/CHECK-OUT

All students must check into the Attendance Office if they arrive ten (10) minutes or more after the tardy bell rings. However, arriving late to class constitutes a tardy, which cannot be excused. Anytime a student leaves campus during class time, the student must check-out through the Attendance Office and then check back in if they return that day.

TARDIES

Punctuality is an important life skill and tardiness is extremely disruptive and disrespectful to teachers and peers. A student is considered tardy if he or she is not in the classroom when the tardy bell stops ringing. Only teachers, counselors, or administrators may excuse a student's tardy. Students who come to class after ten (10) minutes are marked very late (which counts as a tardy) and must have a slip from the Attendance Office. In an unusual circumstance (i.e., car accident) a parent may appeal a tardy to be excused by an administrator. We recognize that students will occasionally have a legitimate reason to be tardy. But they should be rare exceptions. Teachers can set classroom consequences for tardies. If a student starts to have excessive tardies, the attendance advocates and administration will work with students and their parents to address those situations.

CONSEQUENCES FOR POOR ATTENDANCE

By far, the biggest consequences for poor attendance are the learning gaps and safety issues that arise from truancy. But, there are some other short term consequences the school can enforce in situations where chronic unexcused attendance becomes a problem.

We will work diligently to team with students and parents to encourage excellent attendance. When attendance problems arise, student advocates will work with the students and parents to improve attendance. However, if attendance issues continue, an administrator will become involved and students could start to lose extracurricular privileges such as:

- Field Trips
- Athletic competitions
- Participation in performing arts competitions

- Club Activities
- Senior Grad Activities (Lagoon Day, etc.)
- Date Dances (Homecoming, Sadie's, Prom, etc.)
- Other activities in the school

Chronic Attendance Issues: When students start to have chronic attendance issues, they may be referred to truancy school and/or truancy court.

ATTENDANCE RESPONSIBILITIES:

Reminders:

- After 10 school days an unexcused absence (X) will become a truancy (Y) if it is not excused by a parent/guardian.
- Parents must call the Attendance Office to check a student out. We discourage parents to contact a student directly via cell phone/text, because this will disrupt learning for other students.
- Leaving campus without parental permission and going through the proper check-out procedure in the Attendance Office for any reason will be considered a truancy (Y).

Students will:

- Be where you are supposed to be, when you are supposed to be, doing what you are supposed to be doing.
- If you are absent make sure a parent knows and excuses the absence.
- Be on time to class.

Parents will:

- Be aware of student attendance through Skyward APP.
- Excuse students when they have a legitimate absence. (Call at 801-610-8177 or write a note)
- Don't excuse student if student is not legitimately absent.

Teachers will:

- Keep accurate records of students' absences and tardies.
- Deliberately create an environment conducive to good attendance by beginning class on time and provide meaningful and engaging classroom instruction each day.
- Discuss attendance issues with students as they arise and inform the school counselors or administrators if attendance does not improve.

Student Advocates will:

- Keep students, parents/guardians, advocates, counselors, and administrators, informed of attendance issues.

- Notify students and their parents/guardians of excessive absenteeism by phone message or letter/postcard.
- Review attendance records and help resolve discrepancies.
- Provide check-in/check-out slips upon receiving a note, email, phone call or in person by any adult authorized by the student's parent/guardian.

Counselors/Admin will:

- Work collaboratively with advocates, teachers, counselors and parents/guardians to identify and contact students with trancies or habitual tardies.
- Counsel with student in regards to attendance concerns.
- Make an attendance plan to help students improve truant behaviors.
- Correspond with parents/guardians when students have attendance issues by phone or email.
- Make home visits as needed in order to resolve attendance concerns.

The THS attendance policy has undergone substantial changes in the past year based on feedback from the administration, teacher committees, students, the School Community Council, and the PTSA. The changes reflect shifts in state law and district policy. We will monitor the effectiveness of what we are doing and make adjustments as needed, based on further input from these various stakeholders.

THS Dress and Grooming Standards for School and Stomps

At Timpanogos High School we are a community of one striving for excellence in all areas of life. Timpanogos students are expected to contribute to a positive learning environment by reflecting excellence in their appearance. Those who do not follow the code may be asked to change or may be sent home until they conform to the School Board policy. "Adherence to these dress and grooming standards will be the responsibility of the student and his/her parents or guardian. Failure to conform may involve the student's dismissal from school or, in the case of a special activity which requires special dress or grooming, the student being restricted from participation." Policy No. 5152, 1.1.5

Shirts and blouses should have the standard size armholes. Jeans with holes higher than mid-thigh are not acceptable. Vulgar words, profane or obscene slogans, sexual innuendo, and pictures or ads for alcohol, tobacco, and drugs, are not acceptable. Likewise, slogans or pictures that are violent or advocate hate, gang affiliation or criminal activity are not to be worn. Hats may be worn but the bill of the cap must be straight in front or straight in back. There is to be no double layering of headgear such as bandanas and hats or hats and hoodies or other gang related expressions.

If a student chooses to bring electronic devices to school, they must remain out of sight and in silent mode, or turned off, during the entire class period. Students may, however, choose to access their electronic devices outside of the classroom before school, during class changes, lunch, or after school.

Violation of this policy will result in the immediate confiscation of the interfering device. Failure to comply with this request is insubordination. Appropriate disciplinary action will be taken by the administration. The device will be given to a principal, and a parent or guardian will be expected to retrieve the electronic device in person on the first, and each additional violation of the policy.

Alpine District Policy also includes the following:

The Alpine School District Board of Education recognizes that in some instances the possession and use of electronic communication devices may be appropriate; however, often these devices or objects have the effect of distracting, disrupting and intimidating others in the school setting.

When a student is scheduled to be in class or involved in a regular school activity, it is a violation of policy for the student to have in his or her possession an electronic communication device or camera which is in the "on" position and ready to receive, send, capture or record any communication, visual, image, sound, text message or other information.

These locations include but are not limited to locker rooms, shower rooms, restrooms and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes.

The school administration or teacher may take appropriate disciplinary action when policy is violated.

The use of an interfering device or electronic communication device to threaten, intimidate or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft or academic dishonesty, will result in suspension as allowed in Policy No. 5180.

Students and parents may contact the scholarship Specialist in the counseling center for assistance.

This Second Effort Time (SET) is an option available to teachers every period on Tuesday and Wednesday. Released students should immediately proceed from the academic hallways to the commons, media center, or cafeteria.

S-5 Sick Room/Health/Nurses Services

If a student becomes ill during the day, he/she should obtain a hall pass from his/her teacher and report immediately to the Attendance Office. S-6 Skyward

Skyward is the student information system used by THS and Alpine School District. This program allows you to check grades and attendance, and have access to various other academic information through the internet. Skyward may be accessed via link on the THS homepage: <http://www.ths.alpineschools.org/> or on the mobile app. Assistance in setting up this app and notifications can be obtained in the main office.

S-7 Suspensions
